SECURITY AGREEMENT

SECURITY AGREEMENT dated as of December 19, 1986, between WILMINGTON TRUST COMPANY, a Delaware state banking association with an office at Rodney Square North, Wilmington, Delaware 19890, in its capacity as Agent (the "Agent") pursuant to the Intercreditor Agreement attached hereto as Exhibit A (the "Intercreditor Agreement") and THE MARYLAND AND PENNSYLVANIA RAILROAD COMPANY, a Maryland and Pennsylvania corporation with an office at 1 West Market Street, York, Pennsylvania 17401 (the "Company").

W I T N E S S E T H:

Pursuant to an Agreement (the "SP Assignment") dated as of February 18, 1986, between the Company and Southern Pacific Transportation Co. ("SP"), the Company has assigned to SP sixty-seven (67) gondola freight cars.

Pursuant to the Master Leases (as such term is defined in the Intercreditor Agreement), the Lessors (as such term is defined in the Intercreditor Agreement) have severally (but not jointly) leased to the Company, and the Company has agreed to hire from the Lessors, sixty-seven (67) gondola freight cars (the "Cars"), with the understanding that the Cars will be provided to SP pursuant to the SP Assignment.

NOW THEREFORE, the parties hereto agree:

(1) As an inducement to the Lessors to execute the Master Leases and to consent to, among other things, the inclusion of the Cars in the SP Assignment (and in consideration thereof), the Company hereby

(i) sells, assigns, transfers, pledges and sets over unto the Agent (for the benefit of the Lessors) the Company's right, title and interest in and to the SP Assignment and in and to revenues to become due and payable from time to time under the SP Assignment, and the proceeds thereof, and

(ii) grants to the Agent (for the benefit of the Lessors) a security interest in all accounts of the Company arising from the use of the Cars in the SP Assignment,

in each case as collateral security for the payment and performance of all obligations and duties of the Company to the Lessors arising under or by virtue of the Master Leases.

(2) Except as otherwise provided in the Intercreditor Agreement, upon the occurrence of any Event of Default (as such term is defined in the Master Leases) by the Company, unless such Event of Default shall have been waived by the Lessor which is a party to such Master Lease, the Agent shall have the right, upon giving SP written notice of such default, but without notice to or consent of the Company:

(i) to instruct SP to pay to the Agent any amounts payable by SP to the Company pursuant to the SP Assignment; and

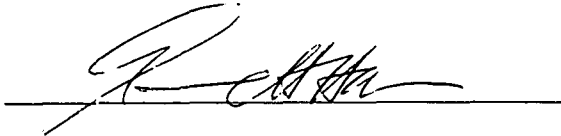

(ii) to instruct the Company to segregate and pay immediately to the Agent any amounts received by the Company pursuant to the SP Assignment; and

(iii) to deal with SP with respect to the SP Assignment to the exclusion of any contrary or concurrent instructions from the Company.

(3) The execution by each Lessor of the Intercreditor Agreement shall be a condition precedent to the effectiveness of this Security Agreement as to such Lessor.

IN WITNESS WHEREOF, the parties have duly executed this Lease the day and year first above written.
